Annual percentage yields and interest rates are accurate as of _____

CERTIFICATE OF DEPOSIT COMMON FEATURES

The following features apply to all certificate of deposit accounts, unless an exception is noted.

Rate Information - You will be paid the disclosed rates until first maturity. If your account is a Relationship Certificate and you no longer qualify for the benefits, your interest rate may be reduced to the regular CD rate in effect at the time of account opening or last CD renewal. If your account is a special, please see specific account features.

Withdrawal of Interest Prior to Maturity - For compounding accounts, the annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

Minimum Balance to Open and Obtain the Annual Percentage Yield Disclosed - You must deposit \$1,000.00 to open a non-retirement account and earn the annual percentage yield. You must deposit \$100.00 to open a retirement account and earn the annual percentage yield.

Daily Balance Computation Method - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. You must maintain the minimum balance each day.

Accrual of Interest on Non-cash Deposits - Interest begins to accrue on the day you deposit items (for example, checks).

Transaction Limitations: (1) Deposits may only be made at maturity and during the grace period in non-retirement accounts; (2) Deposits may be made at any time to retirement accounts. Amounts are subject to limitations of the Retirement Plan Agreement; (3) You may make withdrawals of principal from your account before maturity, subject to early withdrawal penalty; (4) You may only withdraw interest once it has been credited and prior to the end of the grace period.

Relationship Certificate Account Qualifications and Benefits – As long as you maintain a Benefit Interest Checking Account with Gate City Bank and do not receive interest by check from your certificate, your account qualifies for the Relationship CD rate.

Early Withdrawal Penalties (a penalty may be imposed for withdrawals before maturity) - On the amount withdrawn subject to penalty, we may impose a penalty equal to all interest that would have been earned during the term, 90 days interest, 180 days interest, or 365 days interest. Please refer to the chart for the penalty which relates to your term. The interest rate used to calculate penalties for early withdrawal, will be the interest rate in effect at the time of the withdrawal. There are certain circumstances, such as the death, incompetence of an owner, or normal retirement distributions, where we will waive this penalty. When all accounts in a retirement plan are closed within 3 years of opening, a \$30 fee will apply.

Automatically Renewable Time Account - These accounts will automatically renew at maturity. You may prevent renewal at maturity or within the grace period, if you withdraw the funds or we receive written notice from you. We can prevent renewal if we mail notice to you at least 15 days before maturity. If you or we prevent renewal, interest will continue to accrue upon maturity for ten days including the maturity date. Each renewal term, except the CD Specials, will be the same as the original term, beginning on the maturity date. See the chart for the renewal term.

Grace Period - You will have ten calendar days including the maturity date to withdraw and deposit funds or change the renewal terms without a penalty. Deposits can be made to Retirement Accounts or College Education Savings Accounts at any time.

SPECIFIC CERTIFICATE OF DEPOSIT FEATURES

MONEY MARKET RETIREMENT ACCOUNT OR CESA

Rate Information: Your interest rate and annual percentage yield may change at any time, at our discretion.

Compounding and Crediting Frequency: Interest will be compounded every month. Interest will be credited to your account every month.

Minimum Balance to Open the Account: You must deposit \$100 to open this account.

Account Fees: When all accounts within a retirement or CESA plan are closed within 3 years of opening, a \$30 fee will apply.

Accrual of Interest on Noncash Deposits: Interest begins to accrue on the next business day after the business day of deposit for noncash items (for example, checks).

Daily Balance Computation Method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Limitations: No personalized checks will be issued on this account.

Important Information About Account-Opening Procedures

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
